HSR 325—ADOPTED

(Congratulating the Honorable John Henry Hannah, Jr.)

Mr. Bill Bass offered the following resolution:

HSR 325

Whereas, Our esteemed colleague, John Henry Hannah, Jr., of Angelina County, did at long last finally complete the requirements for examination for admission to the State Bar of Texas; and

Whereas, Our esteemed colleague did in fact endure the ordeal of examination for the Bar; and

Whereas, The results of this examination were apprehensively awaited by all who knew him; and

Whereas, To the surprise of many and to the immense relief of his lovely and long-suffering wife, Susan, as well as a legion of creditors, our esteemed colleague received the grade of 85; and

Whereas, Despite the unexpected excellence of the grade there is absolutely no probative evidence to warrant the belief that this achievement was other than honestly earned, well deserved, and to the great credit of our colleague; and

Whereas, Although the event has already given rise to celebrations appropriate to such an occasion, it is only meet and proper that this House further recognize this distinguished achievement on the part of our colleague, both as a mark of affection for him and as an example to others; now, therefore, be it

Resolved by the House of Representatives of the 62nd Legislature, That this House congratulate our colleague, John Henry Hannah, Jr., on his becoming the newest attorney and counselor-at-law among its number; and, further, that this House wish him well in the practice of his profession in the sure and certain knowledge that the rights and privileges so recently acquired will, in his hands, do long service in the cause of humanity and justice.

Signed: Bill Bass, Daniel, and Adams.

The resolution was read and was unanimously adopted.

On motion of Mr. Adams the names of all the Members of the House were added to the resolution as signers thereof.

HSR 323—ADOPTED

(Congratulating the Honorable Ray Lemmon on his birthday)

Mr. Cruz offered the following resolution:

HSR 323

Whereas, A particularly hardworking and energetic Representative from Harris County celebrates his 45th birthday Tuesday, April 6, 1971; and

Whereas, This Representative has the distinction of running for office more times, before being elected, than any other Member of the House; noting that one election out of five isn't too bad; and

Whereas, This "sink or swim" policy has served him well in his dealings with the Texas Council of Marine-Related Affairs; and

Whereas, Regardless of his determination, constituents agree that their last choice from District 24, Place two, has indeed turned out to be a "lemmon"; and

Whereas, This Representative is perhaps the only Member of the House who can rightfully call himself an Indian Princess; and

Whereas, This avid University of Houston supporter is still trying to convince university officials to change their school name from the Red-Coats to the Lemmon-Aides; and

Whereas, Fellow office workers invite this Member to add the "Happy Birthday" song to his collection of standard favorites—"Jesus Loves Me", "Cowgirl Sweetheart", and "Everything Is Coming Up Lemmons"; now, therefore, be it

Resolved, That the House of Representatives extend sincerest wishes to Representative Ray Lemmon on his birthday, April 6, 1971, and extend congratulations also to his family who share in the celebration of this happy occasion: to his wife Ann, and their children Patsy, Allen, Lori, David, and Paula; and, be it further

Resolved, That a copy of this resolution be prepared for the Honorable Ray Lemmon as a token of appreciation and high regard from his colleagues in the House of Representatives of the 62nd Legislature.

The resolution was read and was unanimously adopted.

On motion of Mr. Wieting the names of all the Members of the House were added to the resolution as signers thereof.

The resolution was referred to the Committee on Rules.

SCR 69—REFERRED TO COMMITTEE

(Condemning conviction of Lieutenant William L. Calley, Jr.)

The Chair laid before the House the following resolution:

SCR 69

Whereas, Americans throughout this great land and those stationed with our armed forces in the defense of liberty across the seas were appalled at the conviction by a court-martial jury of Lieutenant William L. Calley, Jr., who had been charged with mass murder at My Lai on March 16, 1968; and

Whereas, To those patriots who have served this nation in war and in peace, it was a great shock that this man, this dedicated military leader, should have been deprived of his honor and his career when his only crime was that of putting the lives of the men in his troops ahead of those of the enemy; and

Whereas, Many times in the glorious history of this country—in all our wars—the identity of the enemy has been difficult to establish; this was true in our own Civil War, in the Spanish-American War, and, more recently, in the Korean conflict; even more is it true in the jungles of Vietnam, where the Viet Cong, blood brothers of our fighting comrades the South Vietnamese, penetrate the ranks and villages of those we call friends, only to kill at the first opportunity; in South Vietnam the perimeter of defense cannot be established; and

Whereas, As Americans, we need to reevaluate our system and our way of thinking; of course the killing of men, women, and children is repugnant to the American who always values the life of a fellowman, be he friend or enemy, but the war in Vietnam is a reality, and many, many of our own American young men have lost their lives when these same men, women, and children threw a grenade, planted a bomb, fired a blast with an automatic rifle, or pulled a knife on their unsuspecting defenders; and

Whereas, Lieutenant Calley served our country with dignity while men who have refused to be inducted into the service have not been convicted and are allowed to stay in this country, stirring up trouble, defaming the flag; and

Whereas, Many members of the Texas Legislature have served in our country's wars and we know that innocent people have died in the past. Look at Hiroshima! But war is never pretty, and those who force it on us cannot expect it to be; and

Whereas, If Lieutenant Calley is guilty, then many thousands of men who have served before him, and who will serve in the future, must share in his guilt; and

Whereas, It is the firm belief of the 62nd Legislature of the State of

Texas that the conviction of Lieutenant Calley is one of the gravest injustices ever to be perpetrated; his conviction, if allowed to stand, will be a detriment to our country and the armed forces who defend it that cannot be overcome; and

Whereas, The people of Texas are greatly disturbed over the matters brought out in the My Lai court-martial of 1st Lieutenant William L. Calley, Jr.; and

Whereas, There is a strong feeling that Lieutenant Calley is being made a scapegoat for some of the higher officers in the United States Armed Forces and the present military system; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That the Legislature of the State of Texas hereby go on record in condemnation of the conviction of Lieutenant William L. Calley, Jr., believing it to be a true disgrace to the United States of America as a whole and to the United States Army in particular; and, be it further

Resolved, That the Texas Legislature deem it unconscionable to ask men to defend our country and then to reward them with a court-martial when they have done their duty; Lieutenant Calley felt that his only concern in My Lai was for the safety of his troops against what he considered the menace of a Communist enemy. His words ring true: "If I have committed a crime, the crime I have committed is in judgment of my values. Apparently I valued my troops' lives more than I did those of the enemy"; and, be it further

Resolved, That this Resolution stand as the official condemnation by the 62nd Legislature of the State of Texas of the conviction of Lieutenant William L. Calley, Jr., and that copies of this Resolution be prepared and forwarded to the President of the United States, to the Secretary of the Army, to the Secretary of Defense, to the United States Senators from Texas, and to the Members of the House of Representatives in the Congress of the United States from Texas; and, be it further

Resolved, That the Texas Legislature join the many thousands of Americans who firmly believe that Lieutenant William L. Calley, Jr., should be granted a full pardon immediately, so that he can live with dignity and honor in the land of the free and the home of the brave.

The resolution was referred to the Committee on Rules.
